

March 2008

Dear Fellow Paraders,

This month brings Easter, Daylight Savings Time, and lots of Spring weather to enjoy with your family, friends and horses. I hope you all were able to participate in a parade last month. Just like you, I have ridden in my share of cold, rainy, and windy parades. Well, the Ripon Almond Blossom Parade had it all. Despite the weather, Alice Lawellin was able to judge all of the extremely tough riders that had assembled to brave the elements. We even had four more individuals or groups join our parade family. May will soon arrive with fair, festival, and rodeo parades to enjoy each and every weekend.

Our next Quarterly meeting will be held April 19th in Santa Nella at the Ramada Inn. The time of the meeting will be available soon. If you are planning on attending you may call me for more information. Most importantly we will discuss the locations that have been suggested for the Spring 2009 State Championship Parade and awards banquet. These events celebrate your hard work and dedication in this unusually long point year that began August 1, 2007, and will end December 31, 2008. Please attend to support your choice for the host city so we can make the right decisions for everyone concerned. There will be door prizes and refreshments at our meeting to thank you for your attendance.

Get well wishes to Lorene Landreth of Wilseyville. She made an amazingly quick recovery from her surgery February 5th. Lorene is just too actively involved in enjoying life and helping others to stay down very long.

Thanks to all of you for supporting your Parade Program. We will all bring a multitude of smiles to faces along the parade routes this year. Our friendly attitudes and beautiful horses will be shared and appreciated by parade spectators in so many cities large and small throughout California.

Finally, please do not forget to send in your C.S.H.A. regular membership dues. The parade program portion is not due until January 2009. Your monthly newsletter is complimentary with your membership in the parade program.

Best wishes,
Candy Graham
