Happy New Year to all! I hope that you have resumed your lives now that the holidays are over and you are happy and healthy this new year.</p> <p>December was very busy for ETP. The girls' ETP and Friends brunch at Char's beautifully decorated house, was once again, fantastic. The delicious food, wonderful warm company, laughter, and ornament exchange were a huge success. It turned out to be cool weather that day, but nice enough that the girls took a ride in the riverbed after the Christmas party.</p> <p>The ETP crew shopped for the Christmas dinners and delivered the food and presents to our adopted families. The well-organized event went off without a hitch.</p> <p>Char did an excellent job of calculating the cost of the items as we shopped, keeping track of the cost of food and supplies that we purchased as the ETP elves pushed the grocery carts, and their helpers insured that all families received each item. Included, I might add, were marshmallows and hot chocolate mix for each family! Yay!</p> <p>I have to say that the families were truly grateful and certainly were in need of our gifts of love for them. The children were so darling; some of them in one family sang a brief little song for us as we brought in the groceries. I felt like ETP truly was responsible for such a selfless good deed.</p> <p>Thank you to Wendy for her research finding these families that we adopted for Christmas.</p> <p>I would be remiss if I did not mention the Annual New Year's Day ride at Mary Russell's home. The riding at Lake Mathews is different terrain than our riverbed. It was refreshing to ride the beautiful trails that surround her home. There were three different rides that day. A family ride that was about an hour and a half long, another couple hour ride and then the long ride through the hills. It was a positively beautiful day. The riding was equally as awesome as the day. Hmmm, I might add that the varied chili recipes, several varieties of cornbread (including jalapeno cornbread) and incredible desserts were a true highlight! Next year, an official chili cook off! Start your burners!!!!!!!!!!!!</p> <p>Thank you Mary for opening up your home to us again!</p> <p>I wish every one of you a wonderful, healthy, happy, and successful new year. May your dreams come to fruition and your family and animals enjoy life!</p>	<p style="text-align: center;"><u>Chairperson</u></p> <p><u>Trail Patrol / Clean-up</u> Joe Hoscheid-951-685-5371</p> <p><u>Trail Reports/Records</u> Janice Escalera 951-681-0108; 909-731-8748 redluna1@sbcglobal.net</p> <p><u>Group Rides, Etc</u> ALL members – Pick your favorite spot and lead or coordinate a ride</p> <p><u>ETP Meeting Chair</u> Tracy Penna Wendy Ellison</p> <p><u>Inventory/Wearable's</u> Louise Zirges 951-734-2986 kennlouise@sbcglobal.net</p> <p><u>Norco Rodeo – August Legislation/Trail Issues</u> <u>Jurupa Valley</u> Henry Escalera - 951-681-0108; 909-731-8747 redluna1@sbcglobal.net</p> <p><u>Clinics & Guest Speakers</u> All ETP members</p> <p><u>Legislation/Trail Issues</u> <u>Norco</u> John Rigler – 951-278-0670 mrrgs1@aol.com</p> <p><u>Hidden Valley – Ranger</u> John Vint – Cell 951-906-9333; rangrjohn@aol.com</p> <p><u>Sheriff Phone Numbers</u> 951-279-4311; 951-270-5673 California Fire Incident Website http://inciweb.org/state/5/</p>

IMPORANT – BADGE INFORMATION – Charlene Schramm

January 21st the Escalera's and I traveled to Fresno to attend the California State Horsemen's Assoc. Quarterly Meeting. As you know, the 6 point metal star badge was eliminated effective 1/1/12. Due to some miscommunications, CSHA had closed the badge deposit account. It has now been reopened for 2011 Active/Paid ETP members only. The jest of this portion of the meeting was:

1. Badge Deposit account is reopened for 2011 ETP members who were active and paid current.
2. If they want their badge deposit refunded, said members **MUST** have their badges turned into the CSHA state office no later than 2/29/12, along with a badge deposit refund form.
3. Any badges not received in the office by 2/29/12 will no longer be eligible for a badge deposit refund and it will be assumed that the member wishes to keep their badge as a memento.
4. Badge Deposit Refund checks will be issued at the April quarterly meeting.

Any members wishing to turn in their badges and receive their deposit refunded can get their badges to me and I will handle getting them to the state office. 2/25/12 will be the last day I will accept badges and the responsibility of getting them to the state office by 2/29/12. There are six badges that we returned in December / January. Those badge deposits will be processed at the April quarterly meeting.

Other than the badges, we covered the ETP Forms that were modified by our region committee to keep up with the rule changes and have more value. Janice Escalera turned in what she had for 2011 trail reports: 3,023 Trail Reports were turned in noting 8,478 horses, 1,195 bicycles, 2,323 hikers/etc. and 701 dogs.

- +Tricia Penna The Broncos won yesterday!
- + Char Schramm sold her horse Skye!! Whoohoo
- + Sondra Harkless Rescued three puppies. She had to remove cactus needles from them,. They were dumped and only 3 weeks old! Sondra, awesome rescue!
- + Janice Escalera and her mare Nika filled us in on the details that helped another horse and rider cross the river. Another ETP save!!!
- + Dakota Hawley had a revelation with his horse. He finally HEARD what his horse was telling him! His grey gelding would fight him when he went to put a halter on him. He said he ignored signs the horse was giving him and almost sold the horse. He got a chiropractor and immediately the horse was diagnosed by a visual by the professional chiropractor. The horse was 99% better after the first session and is now a willing participant when his halter or bridle is being put on him because he is now comfortable. (Great lesson for us all, Dakota!) Char chimed in and said the entertainment is now over! The horse was hurting and it was not an attitude problem.

Meeting adjourned at 8:07 pm
Minutes respectfully submitted by Helen Johnson.

Important Information

ETP Blankets

The ETP blankets that are purchased should be rinsed off with water and a mild soap or carpet cleaner. It is advisable that you **NOT** place them in the washing machine as the resilience of the material may be compromised. The material will hold up longer, maintain its color and shape if it is hand washed. You may use the garden hose or even just brush the dirt off the blanket.

The next ETP meeting will be February 6, 2012

Sizzler on Clay – Dinner at 6 pm, meeting starts at 7 pm

Get well wishes to George Pearne (Chris' husband). He has been in the hospital most of January. We are thinking of you Chris and George. Feel free to call on any of us....any time.

Well wishes to Craig Paine (Cindi's husband) in recovering from his surgery.

Contratulations to Louise Zirges who has successfully completed her treatments.

Well
her

Wishes to Jennifer Todd as she recovers from her surgery. I hear her husband is already having trouble holding her down.

Our Deepest Sympathy to Cindi Paine in the loss of her mother. Although it is sometimes a great thing for our family member to leave this world, it is still tough on those left behind. I am sure Cindi, and her family, have great memories of better times.
