Bill Arden had to give up his position of Vice President so that he could take the position of Southern Area Vice President. Rick Wagner, one of our Past Presidents, has taken the Vice Presidency. Sharon Wagner, who is on the County Trails Commission, has resumed as the Legislative/Trails chair. If anyone would like to volunteer to take over the positions of Secretary or Newsletter Editor, please call !</p> <p>This is an important time for all horsemen to participate in fighting to save our access to parks and trails. I'm attaching a condensed version of a message from the California Parks and Recreation Society (CPRS) president, as well as the sample letter they're asking people to send (feel free to write your own).</p> <p>At the Region meeting last week, Harold White presented Neil Russell with an Honorary Lifetime Judge's License from CSHA. If you weren't there, you missed some great stories!</p> <p>There's a lot going on with the paraders right now. The kids from Riverside Rancheros Jr. Equestrian group are getting ready to ride in the Swallows Day Parade (March 29), and are practicing for a performance at their home arena for Governor Schwarzenegger. Extremely impressive! Alice Yaryan, our Parade Chair, read off a pretty long list of upcoming parades. Some of those dates will be in the March meeting minutes (call Alice if you need details).</p> <p>Moreno Valley Trailseekers has started their cattle sorting clinics, &amp; is preparing for the Reg. 11 English/Western show series. The arena has new &amp; improved footing; they are looking forward to the first show on April 13. As always, sponsorships are welcome! Check out their website for a complete show and event schedule.</p> <p>Another issue has come up with Riverside Animal Control's handling of lost and found horse calls. Members of ETP are working toward a better system.</p> <p><b>Sunday, March 30 is the first planning meeting for the 2009 convention, which is OUR convention (Southern Regions). ## STOLEN TRAILER ALERT!

From Tiffany Perelman [hmaewest@aol.com](mailto:hmaewest@aol.com)

Please take the time to read this very quickly.....I could really use everyone's help to get the word out. Sometime **Sunday night (3/2/08)** my four horse trailer was stolen off the Lucidi Farms property in **Poway**. I would really appreciate it if everyone could spread the word in the horse community to be on the lookout for this horse trailer. Maybe someone somewhere will see this trailer or the contents that were stored in it.

The trailer was a four horse slant load Circle J horse trailer. It was unusual since it was a bumper pull and it is very rare for a four horse to be a bumper pull. It was an aluminum all silver trailer. It has the drop down windows on the left side and looked a little like a stock trailer on the right side as well as having a tack room on the right side as well. It did not have plates on it at the time, although someone may have put plates by now.

The tack room was filled with all my horse show equipment and setup. Please be on the lookout for items such as these for sale. There was a navy and tan pop up tent, wooden decking tiles, saddle racks, bridle racks, tables, chairs, buckets, etc.

Please please be on the lookout for this trailer and please pass it on to anyone and everyone in the horse community. Thank you so much
