Unfortunately, the people operating horse rescues feel the pinch to a greater degree than most of us. They're already supporting horses who have been "cut back" for various reasons. Under the Angel's Wings Rescue (www.UAWR.com) has lost access to part of the land & corrals they were using. Animal Control has informed them that 18 horses need to be removed from the property immediately! They desperately need adopters, foster homes, or donations of pipe panels. There is a benefit ride for them on Saturday 4/18. Details are on our Google Calendar.</p> <p>Our friends at TIER (True Innocents Equine Rescue) are collecting used tack for their annual tack sale. (see flyer).</p> <p>A region 11 member forwarded this to me from someone in OC: I have a rescued Arabian gelding that needs a home. Rajah has been totally rehabilitated. He is a large Arab, rideable, with lots of training and extremely friendly. If you or anyone you know can give this seasoned horse a loving home PLEASE write now. We can't send him to pasture as he has a few easy to manage health issues that need regular looking after. rosepine@sbcglobal.net</p> <p>Lexi is another horse in need – even \$5 would help – see flyer</p>	<p><u>Chairperson</u></p> <p><u>Gymkhana</u> acting – Leslie Watson 951-685-8284 mrsh668@aol.com</p> <p><u>Insurance</u> Leslie Watson 951-685-8284 mrsh668@aol.com</p> <p><u>E.T.P</u> Helen Johnson 951-735-7741 helenjohnson@chino.k12.ca.us</p> <p><u>Junior E.T.P.</u> TBA</p> <p><u>Junior Advisor</u> TBA</p> <p><u>Sr Advisor to Jr's</u> TBA</p> <p><u>Parades</u> Alice Yaryan 909-795-3338</p> <p><u>Royalty</u> Ellen Kleinbeck will assist 951-360-3761 eklein57@earthlink.net</p> <p><u>English/Western</u> Barbara McCarthy-Kimbel 951-242-8323 BARBARAMCCARTHY@nextel.blackberry.net</p> <p>Next Meeting Wed.
