

## Saddle Thefts

Diamond Bar Stables in Glendale had Boarder's lockers broken into on the night of 3-3-09 between the hours of 11:08-11:36 pm. The locks were cut off and stolen as well as tack. Missing saddles are 2 English saddles, 1 Walking horse saddle, 1 child saddle and the rest were Western saddles.

In Thousand Oaks last month, at their boarding stable, 50 saddles were stolen, along with all of their farriers equipment.

If anyone approaches you with saddles for sale, please contact the Perez's and the Police.

Surveillance cameras show a white Chevy Cobalt parked at the back gate of the stables. An english speaking male was seen by a boarder outside our back gate by the Chevy. She was alone and was frightened by the stranger-he told her "I hope I didn't scare you" she then promptly left not thinking to contact authorities. 12 saddles and misc. Headstalls where stolen. He knew what he was taking, he only took the higher quality saddles. If anyone has any information please contact Scott or Melissa Perez @818 242 8443 . Thank You
